

## Request for Port System Update

In order to serve your current business model better, we have decided to simplify the request for port system updates moving forward. This will ensure that we have all relevant information needed for a precise update.

Kindly email all port system update request to relevant email addresses below **at least 4 hours prior to gate in**. This would allow sufficient time for our team to perform necessary update and revert with confirmation accordingly.

Load Port	Email Address	Required Information
<b>Port Klang</b> <ul style="list-style-type: none"> <li>• North Port (KCT)</li> <li>• West Port (KMT)</li> </ul>	<a href="mailto:LPKOPSGEN@maersk.com">LPKOPSGEN@maersk.com</a>	Booking Number Vessel Name Voyage Container Number
<b>Penang Port</b> (CDA)	<a href="mailto:GSCOPSINLMYC@maersk.com">GSCOPSINLMYC@maersk.com</a>	Booking Number Vessel Name Voyage Container Number
<b>Port of Tanjung Pelepas</b> (NAVIS)	<a href="mailto:my.export@sealandmaersk.com">my.export@sealandmaersk.com</a>	Booking Number Vessel Name Voyage Container Number
<b>Pasir Gudang Port</b> (JCTs)	<a href="mailto:my.export@sealandmaersk.com">my.export@sealandmaersk.com</a>	Booking Number Vessel Name Voyage Container Number

We thank you for your ongoing and valuable support. Should you have any further enquiries, please contact your local Sealand representatives.
