How to amend booking cargo commodity and weight ?
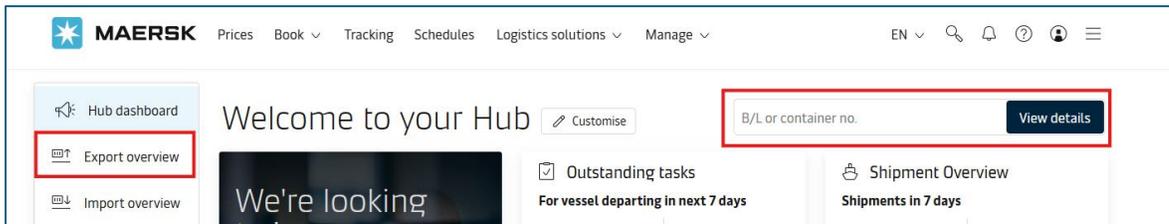

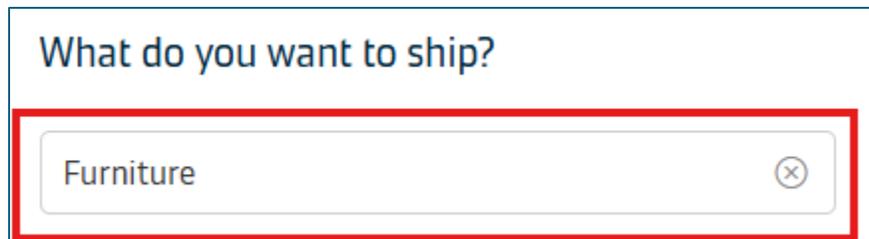

1. After logging into Maersk.com, please go to the **Hub dashboard** Maersk :: Hub.

2. In the window on the right-hand side, please enter the booking or container number and click "**View details**", or find the booking in the "**Export overview**" tab on the left:

3. After selecting the booking in which you want to make changes, please click the "**Amend**" button.

4. Please change the type of cargo in the field below. It is advisable to check if the specific type of cargo is accepted in the destination country. You can check this at the following link: Local Information | International shipping | Maersk

5. The change will automatically remove containers from the booking, so in the next step, please select the quantity, size, and weight of the container(s). If you wish to use a SOC container, please indicate it below.

6. After ensuring that the "**cargo ready to ship**" date is correct, please click "**Continue**".

7. Please confirm the sailing by clicking "**Continue**".

8. In the next tab, "Additional details," please confirm the equipment release date.
