- Terminal occupation and operations - **under control**

Upcoming closures and general info

Please be informed that the left track of the Novska–Tovarnik–Šid line, specifically the section between Slavonski Brod and Sibirj, will be permanently closed from 27 June 2026 at 20:00 until 14 July 2026 at 21:30. During this period, all traffic will be operated via the right track. Potential transit time delays are expected, impacting weeks W27 and W28 2026, to 9:00 p.m.
