from Antwerp to inland CY hub						
Duesseldorf (NW)	145 €	145 €	180 €	230 €	505 €	655 €

Key Benefits:

Reduced costs: *pick-up and drop-off* charges are *included* in our CY products *

Speed to market: Take advantage of our own assets and services for fast transport from origin to destination.

Sustainable: Reduce your carbon emissions by as much as 80% when compared with a road-only solution.

Reliability: Fixed schedule and sea shuttle departure schedules enable you to better manage inventory flows and transport plans.

Expanded Reach: Our Inland Transportation truck fleet, barge and rail services enable you to reach more locations across Europe.

Extended Free times: Our product catalogue offers besides many services extensive container free-time.

Import Free time: [Maersk](#)

Increase efficiency of inland transportation by using our mature inland network. Benefit from a seamless transport with less handover, proactive communication and top transit times.

Cut your costs since **pick-up & drop-off** charges are **included** in our CY offering *. **Reduce** your risk of **Demurrage & Detention** exposure since we offer special terms and conditions
