The grapes season has arrived again and your customers across the world are eagerly waiting to relish their flavour.

Taking your grapes to their final destination in perfect condition is now simple.

Maersk's reliable Ocean service offers three weekly options –MECL via Algeciras that takes 20 days, ME2 via Tangier which takes 25 days, and ME3 via Colombo which takes 26 days. Now, your cargo won't have to spend additional weekends at the port and you can reach your destinations "faster"

Our cold chain offering
