Dear Valued Clients,

Please take note of the recently released PPA Administrative Order 02-2021 (Revised Guidelines on the Implementation of Mandatory Weighing of Export Containers).

In view of this order, we would like to inform all customers that effective 16 June 2021, we will be imposing the shutout fees for measured weights (weight taken upon arrival at the terminal) that are above or below 1,500 kilograms from the Shippers Declared VGM.

Please be guided that those boxes with unsettled shutout charges arising from this VGM discrepancy will not be included in the loading plan of the vessel.
