CONCOR SERVICE SUSPENSION

Dear Valued Customer,

As previously communicated, please be advised that due to adverse weather conditions the service in the Natcor Corridor remains suspended until further notice. The team is currently assessing the damage on the ground and will revert with an ETR once confirmed. Kindly note as well that there is no power at City Deep which is impacting the evacuation and admitting of containers.

We once again apologize for any inconvenience caused and trust that the above is in order. However, should you have any concerns or questions please feel free to contact your respective Key Account Manager or Customer Service Manager.

Regards,

PSimelane
